February CAG Meeting

When: Tuesday, February 18, 5:30 - 7:30PM

Where: 1200 Humboldt, Denver 80218, Community Room

All CAG meetings are open to the public. Everyone is welcome.

Change is in the air.

CAG Administrator Nominee, LaMone Noles

LaMone Noles has been life long resident of Denver. She grew up in Five Points and when red lining permitted, her family moved to Northeast Park Hill, close to the boundaries of the Vasquez Bl./I-70

Superfund Site.

LaMone has served as President of RNO, City Park

Friends and Neighbors, Board Member, Greater

Park Hill Community, President Park Hill ACORN and

most recently, President of Northeast Denver

Friends And Neighbors. She has been an active member

of the Vasquez Bl. /I-70 superfund Site Community

Advisory Group (CAG) and recently received the

Inter Neighborhood Cooperation (INC) Neighborhood Star

Award.

She received a BS in Business Management from

Metropolitan State College in Denver. LaMone has been

employed as a victim advocate and at the Veterans Administration.

Thank you Kim!

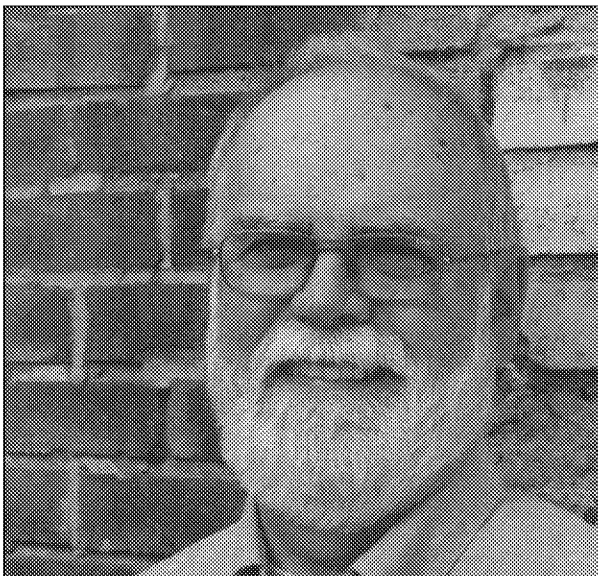

The CAG wishes to honor and thank founding CAG member Kim Morris for her years of service to the

CAG as our first elected, volunteer Administrator.

Kim's steady hand and excellent managerial and communication skills laid a solid foundation for the CAG and for future Administrators.

Expert's Corner

Charles Norris ([Click image to see resume](#))

Chuck Norris will update the CAG on his work toward developing an appropriate scope of work for a revised/supplemented/new Remedial

Investigation for OU2.

His current investigations are focused on the OU2 area activities during the period 1930 to 1950 when City and County of Denver operated a municipal dump on the previous smelter property.

New Nominee to the CAG

Brad Evans, South Platte River Waterkeeper

[Click on image to see article.](#)

The CAG looks forward to welcoming its newest

nominated member, the South Platte River
WaterKeeper.

Brad Evans, well known founder of Facebook sites
Ditch the I-70 Ditch, Denver Fugly and the Denver
Cruisers was named the Waterkeeper for
Denver's South Platte River.

The South Platte River is heavily impacted by
urban run off including from the Site.

The CAG is proud to welcome Brad to the ranks
of our environmental and social justice champions.
